Mr. Wm. H. Moore, of 23 Warner St., Oneida, N. Y. was failing fast.

> Says 'Wincarnis' quickly restored strength

Mr. Moore's Statement I take pleasure in testifying as to say experience with Wincarnis, both as a duty to those who may need such a duty to those who may need such a remedy, and from a positive feeling of gratitude to the compounders of it. Am a man quite advanced in years, (over 70) and for some time past had found myself failing faster, and is ways other than my age alone would seem to account for. Had tried various medicines which seemed to benefit me for a time, but inevitably caused a relapse. Happened to see an advertisement of Wincarnis, and thought I'd try once more. With the first dose I realized that I had found something entirely out of the common, something entirely out of the common, something which "reached the spot" at once.

Have now been using it over a month with very marked benefit in increased strength, better appetite, sounder sleep, and greater ability for my work, which is of a nature which

taxes my endurance at my age some-

what severely. Wincarnis is sold in Norwich by National Drug Stores,
